Minutes NesdaOHIO meeting May 17, 2005

The meeting was called to order at 7:41 by President Phil Skoff. Present were Tim Murtz, Norm Van Stempa, Rich Uminski, Dick Begacki, Jim Mancuso, and Joe Sopko. Secretary Bob Lowe was absent and unable to take minutes, so Joe Sopko, was pressed into the breach and records these words for your approval.

Minutes from last month's meeting were unable to be read since the secretary was absent.

A Lengthy Treasurer's report followed, encompassing Two Months, since the Treasurer had been on vacation during the last meeting. A Handout sheet was given to each member showing the income and expenditures for a two month period.

As a Quorum was not present for the election to take place tonight, The Election of NesdaOHIO officers was rescheduled to take place during a short meeting in June at the Annual NesdaOHIO Steak Roast.

The date of the June Meeting / Steak Roast will NOT be on the 3rd Tuesday, as are the rest of our meetings, instead will be June 5, at Jim West's house. Inasmuch as the Lure of Free Food is sufficient to attract a NesdaOHIO member across Three States, it is assumed that there will be a Quorum present at that time.

The preparations for the WOT were discussed. Members of the WOT committee had met with the Hotel's representatives and begun arrangements for the site. Provisions of the preliminary contract were discussed and Norm brought out several points that should be addressed. It was decided that a copy of Last Year's contract should be obtained and evaluated before This year's contract with the hotel was signed. Phil Called Debbie Sankoe on his cellphone and left a message on her voice mail to set up a second meeting where that can take place.

Discussion of the Vendors we would like to attend followed. Several members volunteered to contact their favorite vendor and try to extort money and door prizes from them.

A Motion was made by Jim Mancuso that the WOT Committee be granted Free Registration to this year's WOT. It was seconded by Rich Uminski, and Passed by all present with one dissenting vote. It was noted that during this discussion Norm and Tim actually agreed on Something and it was emphasized to put that fact in the official record as it is unlikely to ever happen again.

Drawing for the Kitty followed with the winner announced as Stewart's TV.

Drawing for the Next Meeting's Dinner was also won by Stewart's (If they show up for the next meeting)

The President brought down the Gavel, adjourning the meeting at 9:38.

Respectfully submitted,
Joe Sopko (temporary recorder)
